

Sicilian-Style Pork Caponata

with Aubergine

HELLO AUBERGINE

Botanically, aubergine is a berry- however, culinary it is a vegetable! It is a species of nightshade and is closely related to the tomato and potato.

This recipe was inspired by our Patrick's love for all things Italian. Caponata is a classic Sicilian aubergine dish bursting with 'agrodolce' flavours - that's the Italian word for sweet and sour! But Patrick can't resist experimenting in the kitchen and has included some sausage in his caponata. Sicilians are notoriously protective of their recipes, so let's make sure it stays our delicious little secret, OK?

BEFORE YOU START

Our fruit and veggies need a **little wash** before you use them! Make sure you've got a **Large Saucepan**, some **Baking Paper**, two **Baking Trays**, **Frying Pan**, **Measuring Jug** and a **Colander**. Now, let's get cooking!

1 DO THE PREP

Preheat your oven to 220°C. Trim the **aubergine** and halve lengthways. Chop each half into four long strips then chop widthways into roughly 2cm pieces. Halve, peel and chop the **red onion** into small pieces. Halve the **pepper** and discard the core and seeds. Slice into thin strips. Put a large saucepan of **water** with a pinch of **salt** on to boil for the pasta.

2 ROAST THE VEGGIES

Spread the **aubergine** and **pepper** out on a lined baking tray. Drizzle over some **oil** and season with a pinch of **salt** and **black pepper**. Pop on the top shelf of your oven. Roast until soft and a little crispy around the edges, 15-20 mins. Turn halfway through cooking.

3 START THE CAPONATA

Heat a splash of **oil** in a frying pan on medium heat. Once hot, add the **onion** and cook until starting to soften, stirring, 3 mins. Add the **sausage meat**. Break it up with a wooden spoon and cook until slightly browned, 5 mins. Add the **white wine vinegar** and cook until almost evaporated. **! IMPORTANT:** The sausage meat is cooked when it is no longer pink in the middle.

4 SIMMER

Pour the **chopped tomatoes** into the pan along with the **water** (see ingredients for amount). Season with **salt**, **pepper** and a pinch of **sugar** (if you have some). Leave to simmer and thicken, 10-15 mins.

5 COOK THE WHEAT PASTA

Meanwhile, add the **wheat penne** to your pan of boiling **water**. Cook for 10 mins then drain in a colander, return to the pan off the heat and drizzle with a little **oil** to stop it from sticking.

6 COMBINE AND SERVE

Once the **aubergine** and **pepper** are ready, remove from your oven and stir into the **caponata** along with the **olives**. We like to leave our **olives** whole for texture but chop them up if you'd like to, or leave out altogether if you're not a fan! Stir the **wheat pasta** into the **caponata**. Serve in big bowls and sprinkle the **cheese** over the top. **Buon appetito!**
