Milk
(2 TBSP | 4 TBSP)
Contains: Milk

Cooking Oil
(1 tsp | 2 tsp)

(Optional)

1.

Adjust rack to middle position (**top and middle positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** on a diagonal into ½-inch-thick pieces. Dice **potatoes** into ½-inch pieces. Peel and finely chop **garlic**.

↔ Trim **green beans** if necessary.

2.

In a large bowl, toss **carrots** with a **drizzle of oil**, **salt**, and **pepper**. Spread across one side of a baking sheet and roast on middle rack for 5 minutes (**you'll add the chicken then; for easy cleanup, line baking sheet with aluminum foil first**). (**For 4 servings, spread carrots out across entire sheet and roast on top rack.**)

↔ Swap in **green beans** for carrots; toss in bowl as instructed (**you'll roast in Step 5**).

3.

Meanwhile, place **potatoes** in a small pot with **enough salted water to cover by 2 inches**. Bring to a boil and cook until tender, 15 minutes. Drain potatoes and set aside. Add **3 TBSP butter** (**6 TBSP for 4 servings**) and **garlic** to pot used for potatoes. Cook, stirring, until fragrant, 30 seconds; turn off heat. Return potatoes to pot; add **2 TBSP milk** (**4 TBSP for 4**) and mash until smooth and creamy (**add more milk if you prefer creamier mashed potatoes**).

4.

In a small microwave-safe bowl, microwave **2 TBSP butter** (**4 TBSP for 4 servings**) until melted, about 30 seconds. Add **cheese**, **half the panko** (**all for 4**), and a **pinch of salt and pepper**; stir to combine. Pat **chicken** dry with paper towels; season all over with **salt and pepper**. Spread top of each chicken breast with **1 tsp dressing** (**save the rest for serving**), then mound with **cheesy panko mixture**, pressing to adhere (**no need to coat the undersides**).

5.

Once carrots have roasted 5 minutes, remove sheet from oven and carefully add **coated chicken** to empty side. (**For 4 servings, leave carrots roasting and add chicken to a separate sheet; roast on middle rack.**) Roast until chicken is browned and cooked through and carrots are browned and tender, 15–20 minutes.

↔ Place **coated chicken** (without green beans) on one side of a baking sheet. Roast for 5 minutes, then carefully add **seasoned green beans** to empty side of sheet. Roast until chicken is cooked through and green beans are browned and tender, 12–15 minutes more.

6.

Divide **chicken**, **carrots**, and **mashed potatoes** between plates. Drizzle chicken with **remaining dressing**. If you've got some on hand, drizzle chicken with **hot sauce** from your pantry if desired.

Chicken is fully cooked when internal temperature reaches 165°.
