\$20

Why are we always telling you to pat your chicken dry? Well, since you asked, drying protein with paper towels ensures even browning rather than steaming. Crispy, caramelized edges = major flavor!

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Heat a **drizzle of oil** in a small pot over medium-high heat. Add **scallion whites** and garlic; cook until fragrant, 1 minute. Stir in **rice** to coat, then add **1 ¼ cups water (2 ¼ cups for 4 servings)** and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

Meanwhile, place **1 TBSP butter (2 TBSP for 4 servings)** in a small microwave-safe bowl. Microwave until melted, 30 seconds. Stir in **soy sauce**, **chili sauce**, and a **squeeze of lime juice**. Taste and add more lime juice for a tangy punch.

5.

Toss **roasted carrots** with **lime zest**. Fluff **rice** with a fork; divide between plates and top with **chicken**. Serve carrots on the side. Drizzle chicken with **sauce**. Sprinkle with **scallion greens** and serve with any **remaining lime wedges** on the side.

↔ **Stir lime zest into rice. Serve snap peas on the side.**

2.

While rice cooks, trim, peel, and cut **carrots** on a diagonal into ½-inch-thick pieces. Zest and quarter **lime**. Toss carrots on a baking sheet with a **drizzle of oil** and a **pinch of salt and pepper**. Roast until browned and tender, 20–25 minutes.

↔ **Trim and remove strings from snap peas; halve crosswise.**

4.

Pat **chicken** dry with paper towels; season all over with **salt and pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. Turn off heat; transfer to a cutting board. Once cool enough to handle, thinly slice chicken crosswise.

↔ While chicken cooks, heat a **drizzle of oil** in a separate large pan over medium-high heat. Add **snap peas**; cook, without stirring, until lightly charred on one side, 1–2 minutes. Continue to cook, stirring, until tender and charred all over, 1–2 minutes more. Transfer to a second small bowl; season with **salt and pepper**.

Chicken is fully cooked when internal temperature reaches 165 degrees.
