When forming your patties in step 3, try not to overwork the meat! Use a light touch when flattening and sealing those cheese-stuffed treasures to help prevent them from toughening up when cooked.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Cut **potatoes** into ½-inch-thick wedges. Toss on a baking sheet with a **large drizzle of oil, salt, and pepper**. Roast until browned and crispy, 20–25 minutes. Halve, peel, and thinly slice **onion**. Peel and finely chop **garlic** until you have 1 tsp (2 tsp for 4 servings).

 Swap in **sweet potatoes** for Yukon Gold potatoes.

2.

Meanwhile, heat a **large drizzle of oil** in a medium, preferably nonstick, pan over medium-high heat. Add **onion**; cook, stirring occasionally, until browned and softened, 8–10 minutes. Add **1 tsp sugar** (2 tsp for 4 servings) and a **splash of water**; cook until onion is caramelized, 2–3 minutes more. Season with **salt** and **pepper**. Stir in **BBQ sauce** to coat. Turn off heat; transfer to a plate and set aside. Wash out pan.

3.

While onion cooks, form **pork** into two ½-inch-thick rounds (four rounds for 4 servings). (Splash a little cold water or oil on your hands before shaping patties to prevent sticking!) Divide **cheese** between centers of each round. Fold edges of meat around cheese, shaping and sealing to create cheese-stuffed patties, each a bit wider than a burger bun. Season all over with **salt** and **pepper**.

4.

Heat a **drizzle of oil** in pan used for onion over medium-high heat. Add **patties** and cook until browned and cooked through, 4–7 minutes per side. (No worries if some of the cheese oozes out! The end result will still be delicious. Can you say **crispy cheese**?)

5.

While patties cook, place **chopped garlic** and **1 TBSP butter** (2 TBSP for 4 servings) in a small, microwave-safe bowl. Microwave until butter melts, 30 seconds. Halve **buns**; brush cut sides with **garlic butter**. Place, cut sides up, on a second baking sheet. Toast in oven until golden, 3–5 minutes.

6.

Fill **toasted buns** with **patties** and **BBQ onion**. Divide **burgers** and **potato wedges** between plates. (Want to see some melty cheese action? Cut the burgers in half!) If you've got some on hand, serve with **ketchup** on the side for dipping.

Ground Pork is fully cooked when internal temperature reaches 160 degrees.
